No. 23011/83/2010-CPD
Government of India
Ministry of Coal

Shastri Bhawan,
New Delhi the 19th October, 2010

OFFICE MEMORANDUM

Sub: Forwarding pending application/fresh applications of Cement Captive Power Plant to Ministry of Power- reg.

The undersigned is directed to say that during the course of the Standing Linkage Committee(Long Term) for Power Plants held on 29.1.2010, Chairman, SLC(LT) informed CEA/MoP that traditionally, the cases of Cement Captive Power Plants are being considered for LoA based on the recommendation of DIPP, Ministry of Commerce and Industry. Chairman, SLC(LT) sought the views of MoP as to whether such applications should be sent to MoP or DIPP for seeking comments/recommendations. CEA informed that all Captive Power Plants irrespective of the status of their end use plant are governed by the terms and conditions of CERC guidelines and therefore, they were of the view that it would be appropriate if cases of Cement CPPs are also recommended by MoP. Based on the comments/observations of CEA/MoP. It was decided that henceforth all applications of Cement CPPs seeking LoA may be sent to MoP for their comments/recommendations. It was also decided that the pending requests of Cement CPPs who have already been recommended by DIPP may be forwarded to MoP for seeking their comments/recommendations.

Therefore, all pending/fresh applications of Cement Captive power Plants are being forwarded to Ministry of Power for furnishing their comments.

(G. Srinivasan)
Under Secretary to the Govt. of India

Encl: as above

Ministry of Power,
(Sh. S. Narayanan, Under Secretary),
Shram Shakti Bhawan, New Delhi.

Copy to
1. Deptt. Of Industrial Policy and Promotion (Sh. D.S. Parihar, Under Secretary), Udyog Bhawan, New Delhi for information

Copy also to
1. Cement Manufactures Association (CMA), NOIDA, UP
2. Director(NIC), with the request to place the above information in the Website of this Ministry

Subject: Forwarding pending application/ fresh applications of Cement Captive Power Plant to Ministry of Power- regarding

Ministry of Power may refer to their letter No. FU-14/2010-IPC dated 28th October 2010 forwarding therewith a copy of OM No. 23011/83/210-CPD dated 19th Oct 2010 received from MoC on the subject mentioned above for the comments of CEA. Ministry of Coal vide above mentioned OM forwarded all pending/ fresh applications of Cement Captive Power Plants for comments of Ministry of Power as per the decision in the Standing linkage Committee Meeting held on 29.01.2010. In all there were 76 pending applications of cement CPPs which comprised of 64 fresh cases and 12 cases of enhancement in capacity. A separate OM No. 23011/83/210-CPD dated 19th October 2010 was received from MoC addressed to CEA, Dept. of Industrial Policy and Promotion and Cement Manufactures Association. Vide this OM MoC requested all applicants whose proposal are appearing in the pending list to submit their progress reports, DPR, Commissioning Schedule etc to Central Electricity Authority for further course of action in the matter. With regard to pending proposals for enhancement in capacity of cement CPPs, the applicants who had already made such application in the past to Ministry of Coal were requested vide above mentioned OM of Ministry of Coal to submit copy of such proposals with data sheet directly to CEA, under intimation to the Ministry of Coal.

17/11

With reference to above, it is to mention that we have received references for coal linkage for 29 nos. of Cement Captive Power Plants either through Ministry of Power or directly from the companies in reference to the above mentioned OM of Ministry of Coal. These proposals were scrutinized in CEA based on the information sought from the Companies and a statement indicating the present status of tie up of essential inputs/ information is enclosed. In none of these cases, tie up of essential inputs/information has been fully complied with. These proposals can be considered for recommendation for coal linkage as and when tie up of essential inputs/information is fully complied with.

In regard to remaining Cement Captive Power Plants as mentioned in MoC OM dated 19th Oct 2010, it is to point out that the developers have not so far approached CEA.

Ministry of Power may like to send the status of the cement CPPs as above to Ministry of Coal.
