

No. 23011/83/2010-CPD  
Government of India  
Ministry of Coal

Shastri Bhawan,  
New Delhi the 19<sup>th</sup> October, 2010

OFFICE MEMORANDUM

Sub: Forwarding pending application/fresh applications of Cement Captive Power Plant to Ministry of Power- reg.

The undersigned is directed to say that during the course of the Standing Linkage Committee(Long Term) for Power Plants held on 29.1.2010, Chairman, SLC(LT) informed CEA/MoP that traditionally, the cases of Cement Captive Power Plants are being considered for LoA based on the recommendation of DIPP, Ministry of Commerce and Industry. Chairman, SLC(LT) sought the views of MoP as to whether such applications should be sent to MoP or DIPP for seeking comments/recommendations. CEA informed that all Captive Power Plants irrespective of the status of their end use plant are governed by the terms and conditions of CERC guidelines and therefore, they were of the view that it would be appropriate if cases of Cement CPPs are also recommended by MoP. Based on the comments/observations of CEA/MoP. It was decided that henceforth all applications of Cement CPPs seeking LoA may be sent to MoP for their comments/recommendations. It was also decided that the pending requests of Cement CPPs who have already been recommended by DIPP may be forwarded to MoP for seeking their comments/recommendations.

Therefore, all pending/fresh applications of Cement Captive power Plants are being forwarded to Ministry of Power for furnishing their comments.

  
(G. Srinivasan)

Under Secretary to the Govt. of India
