

No. 23011/81/2005-CPD
Ministry of Coal

Shastri Bhawan,
New Delhi the 28th May, 2008

Subject: Application fee for consumers applying for enhancement of Capacity for long term coal linkage/Issuance of Letter of Assurance(LoA).

Ministry of Coal has been receiving large numbers of request from applicants for enhancement in the capacity indicated in the original application pending for consideration without providing any additional information in the prescribed Performa and prescribed fees etc. .

The competent authority has approved that the application for enhancement of original capacity would be considered as a fresh application and the date of seniority would be reckoned from the date of application for such enhancement in capacity along with prescribed processing fee is received in this Ministry.

The existing fee structure for various applicants which will also be applicable in the case of applications for enhancement in capacity is given below:-

Sl. No.	Type of applicant	Existing Application Fee
1.	Thermal Power Plant(s)/Independent Power Producer(s)	Rs. 2,000.00 per Mega Watt subject to maximum of Rs. 5,00,000.00
2.	Captive Power Plant(s)	Rs. 2,000.00 per Mega Watt
3.	Cement Plant(s)	Rs. 50,000.00
4.	Sponge Iron Plan(s)	a)Rs. 10,000.00 upto 30,000 Tonnes Per Annum b)Rs. 30,000.00 – Beyond 30,000 Tonnes Per Annum

The Prescribed Application fee should be made in Demand Draft in favour of Pay & Accounts Officer, Ministry of Coal payable at New Delhi. The application fee/processing fee once remitted and deposited, is NON-REFUNDABLE whether the application/request is ACCEPTED OR REJECTED by the competent authority for issuance of Letter of Assurance(LoA).
