

Immediate

No.13011/2/2007-CA-I
Government of India
Ministry of Coal

New Delhi, the 8th September, 2009

To
All the existing
Coal and Lignite block allocatees
(As per list attached)

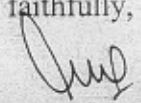

Subject: Guidelines for preparation of Mine Closure plan by the coal and lignite block allocatees

Sir,

I am directed to refer to this Ministry's letter No.55011-01-2009-CPAM dated 27th August, 2009 on the above subject and to say that all the coal and lignite block allocatees are required to prepare the mine closure plan as per the guidelines on time bound basis. The guidelines have already been placed in the Website of Ministry of Coal at www.coal.nic.in.

On preparation of mine closure plan, the same has to be submitted to the Ministry of Coal for approval. Further, it may be noted that timely preparation of Mine Closure Plan would form an important part of the development of coal block and, therefore, would be subject to monitoring by the Ministry of Coal in the forthcoming review meetings.

Yours faithfully,

(S.K.Singh)

Section Officer
