GOVERNMENT OF INDIA
MINISTRY OF COAL
OFFICE OF THE COAL CONTROLLER
1, Council House Street, Kolkata-700 001.

Dated, 12.04.2010

To
All the captive block allocates & Joint venture companies

Sub:- Status of Captive Coal / Lignite blocks & associated End Use Project for Q.E.Mar.2010

Sir,

Please find enclosed the revised format for furnishing the Information for the Quarter ending March,2010 onwards in respect of Captive Coal Block allotted to you and its associated end use projects. While filling up the new revised proforma of Coal Block and associated End use project the following instructions may be taken into account :-

1. For filling up the Revised Coal Block Format :-

(a) Under caption "Premining Activities for Regionally Explored Block" :-

This title is applicable to owners of the blocks which are regionally explored and requires further drilling. These block owners have to fill up the rows with Sl. No. 1 to 11 under the above mentioned caption. Fully explored blocks do not require filling up these rows.

(b) Under caption "Premining Activities for Explored Block & Drilled Block" :-

This title is applicable to owners of fully explored blocks and RE blocks which have completed detailed drilling. These block owners need to fill up rows with Sl No. 1 to 18 under the above mentioned caption.

2. For filling up the Revised End Use Project Format :-

Under Caption "Location of EUP in Details" :-

Under this column, location of end use project (column 2, 3, & 4) information is to be given only for those projects which are linked to captive coal block.

Under Caption total capacity of EUP linked with coal block (Kiln-wise in case of SIP) in Colmn. No. 11

Under Column No. 11, it is required to furnish the total capacity of End Use project (kiln wise for SIP and Unit wise for Power Projects) which **are linked to captive coal blocks only**.

Under Caption Annual coal requirement for running existing EUP linked with coal block in Colmn. No. 13

Under column No. 13, quantity of annual coal requirement to run that part of existing end use project which is linked with captive coal block, have to be furnished. If any FSA already exists, the quantity has to be mentioned.

You being a captive coal block allocate, are requested to send the detailed information for the Q.E. March,2010 in respect of above mentioned coal block and associated End Use Project to this office positively by 23.04.2010 through fax (No. 033 22482459)/ email (coalcont-wb@nic.in) in our prescribed revised annexed format. The old format is dispensed with introduction of the revised format. In case of Joint allocates, the joint venture companies have to submit the status of coal block as well as end use projects of each allocates in the revised format. It is further requested to adhere to the time-limit and fixed format as the information given by you will be used for coal quantification with respect to tapering linkage at our end.

Yours faithfully

Encl. As Stated
