315-B, Shastri Bhawan,
New Delhi the 10th July, 2009

To
Director(Marketing),
Coal India Limited,
Apeejay Bhawan, 15, Park Street,
Kolkata.

Subject: Supply of coal to Sponge Iron Units - "Tapering Linkage"- reg

Sir,

In continuation of this Ministry's letter of even no. dated 23.9.2008 on the above mentioned subject, I am directed to say that the matter relating to extension of the validity of "Tapering Linkage" granted to Sponge iron Units has been examined in the Ministry. The competent authority has decided that tapering linkage in respect of 11 Sponge Iron Units (List enclosed), where coal block has been allocated, may be continued for a further period of 3 months from the date of issue of this letter or till a new policy on tapering linkages is introduced whichever is earlier.

2 It is also clarified that while resuming supplies, CIL may ensure that the recommendations of SLC(LT) for grant of tapering linkage for a maximum period of three years is strictly adhered to, and continuation of tapering linkage may also be restricted to a maximum period of three years from the date of submission of mining plan or three years from the date of original commencement of supplies under tapering linkage, whichever is earlier. The exact quantity, period etc would be worked out by CIL in consultation with Coal Controller having regard to extant guidelines and the decision of the Competent Authority as above.

3 Therefore, CIL is requested to take further necessary action under intimation to this Ministry. The details of the action take may also be placed on the websites of all the Coal Companies.

Yours faithfully,

(G. Srinivasan)

Under Secretary to the Govt. of India

Encl: as above

Copy to:

1. Chairman, CIL, 10, N.S. Road, Kolkata
2. Coal Controller, Coal Controller Office, 1 Council House Street, Kolkata
3. GM(S&M), CIL, Scope Complex, Lodi Road, New Delhi.
