Subject: Verification of status of sponge iron plant and end use plant
of CPPs.

Sir,

I am directed to invite your attention to this Ministry's letter of even number 13th September, 2007 on the above mentioned subject and to say that information with regard to source of supply in respect of Emami Paper Mills Limited appearing at Sl. No. 24 under the tile of application received after 1st December, 2005, was inadvertently indicated from SECL instead of MCL as requested by the consumer at the time of submission of this application for grant of coal linkage.

It is requested that source in respect of the said consumer maybe considered as MCL and not SECL. This is for information and necessary action.

Yours faithfully,

G. Srinivasan
