Total Coal Production in the Country & Efforts to Enhance Quantity

Posted On: 02 FEB 2022 5:54PM by PIB Delhi

State-wise raw coal production in the country during 2020-21 and 2021-22(till December) is given below:

PRODUCTION DATA (Figure in Million tonnes)		
STATE/Year	2020-21	2021-22 Upto Dec-21 (Provisional)
ASSAM	0.036	0.000
CHHATTISGARH	158.409	98.558
JAMMU & KASHMIR	0.012	0.009
JHARKHAND	119.296	79.957
MADHYA PRADESH	132.531	98.236
MAHARASTRA	47.435	32.971
ODISHA	154.150	127.928
TELANGANA	52.603	48.171

UTTAR PRADESH	17.016	12.800
WEST BENGAL	34.596	23.715
All India	716.084	522.345

Source: CCO Provisional Coal Statistics 2021-21

As per initial study report of NITI Aayog, the estimated coal demand of various sectors viz.. Power generation, Iron & Steel, Cement, Aluminium, and Captive Power Production, is about 1192-1325 Million Tonnes (MT) in 2030.

The following action has been taken by Government to further enhance the production of the coal in the country:

- i. **Commercial Auction of coal on revenue share mechanism:** Auction of commercial mining on Revenue Sharing Mechanism was launched on 18.06.2020 by Hon'ble Prime Minister. Under this scheme, total of 2 tranches have been successfully completed and third Tranche is currently under process. From these two tranches total of 28 coal mines have been successfully auctioned for which Vesting order have in signed for 27 coal mines.
- ii. **Allow sale of excess coal production:** The Ministry of Coal has amended Mineral Concession Rules, 1960 with a view to allowing sale of coal or lignite, on payment of additional amount, by the lessee of a captive mine up to 50 percent of the total coal or lignite produced in a financial year, after meeting the requirement of the end use plant linked with the mine. Earlier this year, the Mines and Minerals (Development & Regulation) Act had been amended to this effect. This is applicable for both the private and public sector captive mines. With this amendment, the Government has paved the way for releasing of additional coal in the market by greater utilization of mining capacities of captive coal and lignite blocks, which were being only partly utilized owing to limited production of coal for meeting their captive needs.
- iii. **Rolling auction:** In order to expedite the process for conducting auction and to carryout more rounds of auction in a year, a mechanism of rolling auctions of coal mines has been planned. Under this mechanism, upon completion of the electronic auction process of a tranche, the next tranche of auction would be launched for following mines:
 - a. Mines where no bid or only single bid was received in the previous tranche of auction (except for those mines where Ministry of Coal decides to go for second attempt of auction)
 - b .New mines, if any, identified by Ministry of Coal

In the current III tranche of commercial auction, total of 48 coal mines have been rolled over from the II tranche of mines.
- iv. **Single Window Clearance:** The Union government has already launched Single Window Clearance portal on 11.01.2021 for the coal sector to speed up the operationalisation of coal mines.

It is an unified platform that facilitates grant of clearances and approvals required for starting a coal mine in India. Now, the complete process shall be facilitated through Single Window Clearance Portal, which will map not only the relevant application formats, but also process flow for grant of approval or clearances.

v. Coal India Ltd. has envisaged a coal production programme of one Billion Tonne from CIL mines. CIL has taken the following steps to achieve the target of augmentation of coal production capacity:

1. 15 Projects identified with a Capacity of about 160 MTPA (Million Tonnes per Annum) to be operated by Mine Developer cum Operator mode.
2. Capacity addition through special dispensation in Environment Clearance under clause 7(ii) of Environmental Impact Assessment (EIA) 2006
3. CIL has taken steps to upgrade the mechanized coal transportation and loading system under 'First Mile Connectivity' projects.

This information was given by Union Minister of Coal, Mines and Parliamentary Affairs Shri Pralhad Joshi in a written in Lok Sabha today.
