4. In *bona fide* cases of delays not attributable to the Successful Bidder the Nominated Authority will decide on case to case basis the extension of timeline in Efficiency Parameters from the total time granted for all the Milestones, i.e. 66 months in case of mine where GR is to be prepared (Partially Explored Mines) and 51 months in case of mines where GR is not required to be prepared (Fully Explored Mines). For the said purpose, the Nominated Authority may refer the matter to Scrutiny Committee which will consider the delay caused on case to case basis and furnish its recommendation to the Nominated Authority for taking a decision.

5. For Partially Explored Mines, appropriation for delay in completion of MS-1 and MS-2 shall be from the performance security submitted pursuant to clause 6.1.3 of the Agreement and appropriation for delay in completion of remaining milestones shall be from the revised performance security submitted pursuant the said clause.

6. If the Successful Bidder is able to complete the last Milestone (i.e. Mine Opening Permission/ MS-5) within the total time granted for all the Milestones, i.e. 66 months in case of mine where GR is to be prepared (partially explored mines) and 51 months in case of mines where GR is not required to be prepared (fully explored mines), then the amount of performance security appropriated for delay in completion of any previous Milestone (if any) may be refunded to the Successful Bidder.

For Schedule II Coal Mines of the Coal Mines (Special Provisions) Act, 2015

1	Completion of transfer of statutory permissions obtained by Prior Allottee / obtaining fresh statutory permissions, if required	9	10
2	Opening of Escrow Account (if not opened earlier)	9	10

Note:

1. In the event any statutory permission is required to be obtained afresh by the Successful Bidder, then the time line for obtaining the said statutory permission (milestone) and percentage appropriation of performance security in case of delay shall be same as that for Coal Mines under the Mines and Mineral (Development and Regulation) Act, 1957 and under the Coal Mines (Special Provisions) Act, 2015 (other than Schedule II coal mines).
